 Special thanks to www.toondoo.com, an amazing, and amazingly easy to work with, software for free! cartoon making by anyone who wants to have fun!
 So special thanks to my brother, Nikos Amanatidis, for digging it up for me!
 Special thanks also to Ken Guy for his help with the names of the characters!

*Actors, Processes, Inputs/Outputs and Objectives
 **Institutions, Structures, Socio-culture, Governance
 Mr. Foreman passing by FEREA (Foresight Evaluation Research Area) Festival and being flirted by three women, the 'right' type of woman!
